

Austrian Anadi Bank: Peter G. Gross new member of the Supervisory Board

The Supervisory Board of Austrian Anadi Bank has a high-calibre new member: Austrian Peter G. Gross (57) brings more than 35 years of professional experience in investment banking and corporate finance to the bank's board.

Vienna, 27th of May 2021 - Peter G. Gross (57) will be appointed as a new member of the Supervisory Board of Austrian Anadi Bank on May 25th. The experienced banker can look back on more than 35 years of experience in investment banking, corporate finance, asset management and M&A. Gross has been Managing Director of PRIVATCONSULT Vermögensverwaltung GmbH in Vienna since 2017, whose services include asset management for high-net-worth private clients, asset management, family office services and foundation consulting. Prior to this, Gross held management positions at investment and securities firms in Vienna, London, Luxembourg and Liechtenstein. Christian Kubitschek, CEO of Austrian Anadi Bank, is delighted with the new addition: "With Peter G. Gross, we are gaining another outstanding expert for the Supervisory Board of Austrian Anadi Bank. The high-calibre additions and growing expertise of our Supervisory Board reflect the excellent course that our bank has taken. I look forward to continuing our highly professional and inspiring collaboration with the members of our Supervisory Board."

About Austrian Anadi Bank AG:

Austrian Anadi Bank AG is an Austrian hybrid bank with the business segments Retail Banking, Corporate Banking and Public Finance. With its unique value proposition, which is based on a modern hybrid approach, Anadi Bank challenges traditional banking models: on the one hand, it offers personalised customer service via a multi-channel approach with branches and a team of customer care agents. On the other hand, Anadi Bank focuses on easy-to-use digital services and is continuously developing its digital value chain. As the principal bank for numerous SMEs in trade, industry and real estate, the bank makes targeted use of the advantages of its lean structure and high decision-making speed. As a product specialist, Anadi Bank places a particular focus on smart and customised solutions for companies. In Carinthia, Styria and Vienna, around 250 employees work for approximately 57,000 customers.
