

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Covered Bonds has led to the conclusion that: (i) the target market for the Covered Bonds is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU, as amended ("MiFID II"); and (ii) all channels for distribution of the Covered Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Covered Bonds (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, as amended (*Insurance Distribution Directive*), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended ("PRIIPs Regulation") for offering or selling the Covered Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Covered Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

§ 3

INTEREST

- (1) *Interest Payment Dates.*
- (a) The Covered Bonds shall bear interest on their aggregate principal amount from 11 June 2021 (inclusive) (the "**Interest Commencement Date**") to the first Interest Payment Date (exclusive) and thereafter from each Interest Payment Date (inclusive) to the next following Interest Payment Date (exclusive). Interest on the Covered Bonds shall be payable

on each Interest Payment Date.

(b) "**Interest Payment Date**" means

each of 11 June and 11 December in each calendar year.

(c) If any Interest Payment Date would otherwise fall on a day which is not a Business Day, it shall be postponed to the next day which is a Business Day.

(d) "**Business Day**" means a day (other than a Saturday or a Sunday) on which the Clearing System as well as all relevant parts of the Trans-European Automated Real-time Gross Settlement Express Transfer System 2 ("**TARGET**") are open to effect payments in euro.

(2) *Rate of Interest.* The rate of interest (the "**Rate of Interest**") for each Interest Period (as defined below) will, except as provided below, be the offered quotation (expressed as a percentage rate *per annum*) for deposits in the Specified Currency for that Interest Period which appears on the Screen Page as of 11:00 a.m. (Brussels time) (the "**Offered Quotation**") on the Interest Determination Date (as defined below) plus the Margin (as defined below), all as determined by the Calculation Agent.

"**Interest Period**" means each period from (and including) the Interest Commencement Date to (but excluding) the first Interest Payment Date and from (and including) each Interest Payment Date to (but excluding) the following Interest Payment Date.

"**Interest Determination Date**" means the second TARGET Business Day prior to the commencement of the relevant Interest Period. "**TARGET Business Day**" means a day (other than a Saturday or a Sunday) on which the Clearing System as well as all relevant parts of the Trans-European Automated Real-time Gross Settlement Express Transfer System 2 ("**TARGET**") are open to effect payments in euro.

"**Margin**" means 0.25 per cent. *per annum*.

"**Screen Page**" means Reuters screen page EURIBOR01 or any successor page.

If the Screen Page is not available or if no such quotation appears as at such time, the Calculation Agent shall request the Reference Banks (as defined below) to provide the Calculation Agent with its Offered Quotation (expressed as a percentage rate *per annum*) for deposits in the Specified Currency for the relevant Interest Period and in a representative amount to leading banks in the Euro-Zone interbank market at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date. If two or more of the selected Reference Banks provide the Calculation Agent with such Offered Quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards) of such Offered Quotations plus the Margin, all as determined by the Calculation Agent.

If on any Interest Determination Date only one or none of the Reference Banks provides the Calculation Agent with such Offered Quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by major credit institutions in the Euro-zone interbank market, selected by the Calculation Agent acting in good faith, at which such credit institutions were offered, as at 11.00 a.m. (Brussels time) on the relevant Interest Determination Date,

deposits in the Specified Currency for the relevant Interest Period and in a representative amount to leading European credit institutions plus the Margin.

If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be the Offered Quotation or the arithmetic mean of the Offered Quotations on the Screen Page, as described above, on the last day preceding the Interest Determination Date on which such quotations were offered plus the Margin (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

As used herein, "**Euro-Zone**" means the region comprised of those member states of the European Union that have adopted, or will have adopted from time to time, the single currency in accordance with the Treaty establishing the European Community (signed in Rome on 25 March 1957), as amended by the Treaty on European Union (signed in Maastricht on 7 February 1992), the Amsterdam Treaty of 2 October 1997 and the Treaty of Lisbon of 13 December 2007, as further amended from time to time.

"**representative amount**" means an amount that is representative for a single transaction in the relevant market at the relevant time.

As used herein, "Reference Banks" means four major credit institutions in the interbank market in the Euro-Zone.

In the event of a Benchmark Event: (i) the Issuer shall use reasonable endeavours to appoint an Independent Advisor to determine in the Independent Advisor's reasonable discretion (in consultation with the Calculation Agent and acting in good faith and a commercially reasonable manner (the "**Substitution Objective**")) a Substitute Offered Quotation which shall replace the original Offered Quotation affected by the Benchmark Event; or (ii) if no Independent Advisor is or can be timely appointed by the Issuer or if an Independent Advisor is appointed by the Issuer, but fails to determine a Substitute Offered Quotation, then the Issuer (in consideration of the Substitution Objective) may determine which (if any) rate has replaced the original Offered Quotation affected by the Benchmark Event. Any Substitute Offered Quotation shall apply from (and including) the Interest Determination Date determined by the Independent Advisor or the Issuer (as the case may be) in its due discretion, which shall be no earlier than the Interest Determination Date falling on or immediately following the date of the Benchmark Event, with first effect for the Interest Period for which the Rate of Interest is determined on such Interest Determination Date. The "**Substitute Offered Quotation**" shall be a rate (expressed as a percentage rate *per annum*) which corresponds to an alternative offered quotation (the "**Alternative Offered Quotation**") provided by a third party and meeting any applicable legal requirements for being used for determining the payment obligations under the Covered Bonds determined by the Independent Advisor or the Issuer (as the case may be) in its due discretion, as modified by applying the adjustments (e.g. in the form of premiums or discounts), if any, that may be determined by the Independent Advisor or the Issuer (as the case may be) in its due discretion.

Notwithstanding the generality of the foregoing, the Issuer may in particular, but without limitation implement an Official Substitution Concept, an Industry Solution or a Generally Accepted Market Practice.

If the Independent Advisor or the Issuer (as the case may be) determines a Substitute Offered Quotation, it shall also be entitled to make, in its due discretion, any such procedural determinations relating to the determination of the current Substitute Offered Quotation (e.g. the determination day, the relevant time, the relevant screen page for obtaining the Alternative Offered Quotation and the fallback provisions in the event that the relevant screen page is not available) and to make such adjustments to the definition of "Business Day" in § 3 (1)(d) and the business day convention provisions in § 4 (5) which in accordance with the generally accepted market practice are necessary or expedient to make the substitution of the Offered Quotation by the Substitute Offered Quotation operative.

"Benchmark Event" means:

(a) any permanent and final termination of the determination, provision or publication of the Offered Quotation by any central administrator in circumstances where no successor administrator exists, or any other permanent and final discontinuation of the existence of the Offered Quotation;

(b) a material change in the methodology of determining or calculating the Offered Quotation as compared to the methodology used at the time of the issuance of the Covered Bonds if such change results in the Offered Quotation, calculated in accordance with the new methodology, no longer representing, or being apt to represent adequately, the Offered Quotation or in terms of economic substance no longer being comparable to the Offered Quotation determined or calculated in accordance with the methodology used at the time of the issuance of the Covered Bonds;

(c) the applicability of any law or any other legal provision, or of any administrative or judicial order, decree or other binding measure, pursuant to which the Offered Quotation may no longer be used as a reference rate to determine the payment obligations under the Covered Bonds, or pursuant to which any such use is subject to not only immaterial restrictions or adverse consequences; and

(d) the administrator of the Offered Quotation becomes insolvent or insolvency, bankruptcy, restructuring or other similar proceedings (concerning the administrator) are initiated by the administrator or by the relevant supervisory or regulatory authority and the Offered Quotation is not transferred to a new administrator.

"Official Substitution Concept" means any binding or non-binding statement by any central bank, supervisory authority or supervisory or expert body of the financial sector established under public law or composed of publically appointed members pursuant to which a certain reference rate, subject to certain adjustments (if any), should or could be used to replace the Offered Quotation or pursuant to which a certain procedure should or could be used in order to determine payment obligations which would otherwise be determined by reference to the Offered Quotation.

"Industry Solution" means any statement by the International Swaps and Derivatives Association (ISDA), the International Capital Markets Association (ICMA), the Association for Financial Markets in Europe (AFME), the Securities Industry and Financial Markets Association (SIFMA), the SIFMA Asset Management Group (SIFMA AMG), the Loan Markets Association (LMA), the Deutsche Derivate Verbände (DDV), the Zertifikate Forum Austria or any other private association of the financial industry pursuant to which a certain reference rate, subject to certain adjustments (if any), should or could be used to replace the Offered Quotation or pursuant to which a certain

procedure should or could be used in order to determine payment obligations which would otherwise be determined by reference to the Offered Quotation.

"Generally Accepted Market Practice" means the use of a certain reference rate, subject to certain adjustments (if any), as substitute rate for the Offered Quotation or of provisions, contractual or otherwise, providing for a certain procedure to determine payment obligations which would otherwise have been determined by reference to the Offered Quotation in a material number of bond issues following the occurrence of a Benchmark Event, or any other generally accepted market practice to replace the Offered Quotation as reference rate for the determination of payment obligations.

For the purposes of this subparagraph **"Independent Advisor"** means an independent financial institution of international repute or other independent financial advisor in the Euro zone experienced in the international capital markets, in each case appointed by the Issuer at its own expense.

The Independent Advisor or the Issuer (as the case may be) is entitled, but not obliged, to determine, in its due discretion, a Substitute Offered Quotation pursuant to the provisions of this subparagraph several times in relation to the same Benchmark Event, provided that each later determination is better suitable than the earlier one to realise the Substitution Objective. The provisions of this subparagraph shall also apply *mutatis mutandis* in the event of a Benchmark Event occurring in relation to any Alternative Offered Quotation previously determined by the Independent Advisor or the Issuer (as the case may be).

If the Independent Advisor or the Issuer (as the case may be) has determined a Substitute Offered Quotation following the occurrence of a Benchmark Event, it will cause the occurrence of the Benchmark Event, the Substitute Offered Quotation determined by the Independent Advisor or the Issuer (as the case may be) and any further determinations of the Independent Advisor or the Issuer (as the case may be) pursuant to this subparagraph associated therewith to be notified to the Calculation Agent and to the Holders in accordance with § 12 as soon as possible, but in no event later than the fourth Business Day following the determination of the Substitute Offered Quotation and, if required by the rules of any stock exchange on which the Covered Bonds are from time to time listed, to such stock exchange as soon as possible, but in no event later than the first day of the Interest Period to which the Substitute Offered Quotation applies for the first time.

(3) *Minimum Rate of Interest.* If the Rate of Interest in respect of any Interest Period determined in accordance with the above provisions is less than 0 per cent., the Rate of Interest for such Interest Period shall be 0 per cent.

(4) *Interest Amount.* The Calculation Agent will, on or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the amount of interest (the **"Interest Amount"**) payable on the Covered Bonds in respect of the Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest and the Day Count Fraction (as defined below) to the Specified Denomination and rounding the resultant figure to the nearest unit of the Specified Currency, with 0.5 of such unit being rounded upwards.

(5) *Notification of Rate of Interest and Interest Amount.* The Calculation Agent will cause the Rate of Interest, each Interest Amount for each Interest Period, each Interest Period and the relevant

Interest Payment Date to be notified to the Issuer, the Paying Agent(s) and to the Holders in accordance with § 12 as soon as possible after their determination, but in no event later than the fourth TARGET Business Day (as defined in § 3(1)(d)) thereafter, and, if required by the rules of any stock exchange on which the Covered Bonds are from time to time listed, to such stock exchange, as soon as possible after their determination, but in no event later than the first day of the relevant Interest Period. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to any stock exchange on which the Covered Bonds are then listed, the Paying Agent(s) and to the Holders in accordance with § 12.

(6) *Determinations Binding.* All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this § 3 by the Calculation Agent shall (in the absence of manifest error) be binding on the Issuer, the Fiscal Agent, the Paying Agent(s) and the Holders.

(7) *Accrual of Interest.* The Covered Bonds shall cease to bear interest from the expiry of the day preceding the day on which they are due for redemption. If the Issuer shall fail to redeem the Covered Bonds when due, interest shall continue to accrue on the outstanding aggregate principal amount of the Covered Bonds beyond the Maturity Date (as defined below) until actual redemption of the Covered Bonds. Interest shall continue to accrue on the outstanding aggregate principal amount of the Covered Bonds from the Maturity Date (inclusive) until the date of redemption of the Covered Bonds (exclusive) at the default rate of interest established by law.¹ This does not affect other rights that might be available to the Holders.

(8) *Day Count Fraction.* "**Day Count Fraction**" means, in respect of the calculation of an amount of interest on any Covered Bond for any period of time (the "**Calculation Period**"):

The actual number of days in the Calculation Period divided by 360.

§ 4 PAYMENTS

(1)(a) *Payment of Principal.* Payment of principal in respect of Covered Bonds shall be made, subject to subparagraph (2) below, to the Clearing System or to its order for credit to the accounts of the relevant account holders of the Clearing System outside the United States.

(b) *Payment of Interest.* Payment of interest on Covered Bonds shall be made, subject to subparagraph (2), to the Clearing System or to its order for credit to the relevant account holders of the Clearing System.

(2) *Manner of Payment.* Subject to applicable fiscal and other laws and regulations, payments of amounts due in respect of the Covered Bonds shall be made in the Specified Currency.

¹ The default interest rate by law is 4% *per annum* as per § 1000 (1) of the Austrian General Civil Code (*Allgemeines Bürgerliches Gesetzbuch – ABGB*). In commercial transactions between undertakings the default interest is 9.2 percentage points over the base interest rate as per § 456 of the Austrian Commercial Code (*Unternehmensgesetzbuch – UGB*).

(including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and Northern Mariana Islands).

(4) *Discharge*. The Issuer shall be discharged by payment to, or to the order of, the Clearing System.

(5) *Payment Business Day*. If the date for payment of any amount in respect of any Covered Bond is not a Payment Business Day the date for payment of such amount shall be postponed to the next calendar day which is a Payment Business Day.

"Payment Business Day" means a Business Day (as defined in § 3 (1)).

If the date for a payment of interest is postponed (as described above), the amount of interest shall not be adjusted accordingly.

(6) *References to Principal*. Reference in these Terms and Conditions to principal in respect of the Covered Bonds shall be deemed to include, as applicable: the Final Redemption Amount of the Covered Bonds; and any premium and any other amounts which may be payable under or in respect of the Covered Bonds.

(7) *Deposit of Principal and Interest*. The Issuer may pursuant to § 1425 of the Austrian General Civil Code deposit with the competent court principal or interest not claimed by Holders within 12 months after the Maturity Date, even though such Holders may not be in default of acceptance of payment. If and to the extent that the deposit is effected, made public and the rights of withdrawal and revocation are waived, the respective claims of such Holders against the Issuer shall cease.

§ 5 REDEMPTION

(1) *Redemption at Maturity*. Unless previously redeemed or purchased and cancelled, the Covered Bonds shall be redeemed at their Final Redemption Amount on 11 June 2025 (the "**Maturity Date**"). The "**Final Redemption Amount**" in respect of each Covered Bond shall be its principal amount. Unless stated herein, neither the Issuer nor the Holders have a right to redeem the Covered Bonds prior to the Maturity Date.

(2) *Extended Maturity*.

(a) If the Issuer has failed to pay the Final Redemption Amount on the Maturity Date, then (subject as provided below) payment of the unpaid amount by the Issuer shall be deferred until the fiftieth anniversary of the Maturity Date (the "**Extended Maturity Date**") and references in § 3 (except in § 3 (7)) and § 4 to "Maturity Date" shall be replaced by references to "Extended Maturity Date", provided that any amount representing the Final Redemption Amount due and remaining unpaid on the Maturity Date shall be paid by the Issuer on any Cover Pool Payment Date occurring thereafter up to (and including) the relevant Extended Maturity Date if and to the extent Covered Bonds Available Funds are available for the purpose in accordance with and subject to the Priority of Payments.

(b) Such failure to pay by the Issuer on the Maturity Date shall not constitute a default in payment (but, for the avoidance of doubt, such failure to pay shall constitute an Issuer Default of Payment Event if not paid within a period of seven Payment Business Days from the due date thereof).

§ 6

(1) *Appointment; Specified Offices.* The initial Fiscal Agent; Paying Agent and the Calculation Agent and their respective initial specified offices are:

The Issuer shall at all times maintain (i) a Fiscal Agent and (ii) a Calculation Agent. (3) *Agents of the Issuer.* The Fiscal Agent, the Paying Agent and the Calculation Agent act solely as agent of the Issuer and do not have any obligations towards or relationship of agency or trust to any Holder.

The Issuer is authorised to withhold or deduct from amounts payable under the Covered Bonds funds for the payment of any tax that it is required to withhold or deduct pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "**Code**") or otherwise pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

§ 8

ISSUER EVENTS

(1) *Issuer Events.*

Prior to a Notice of Termination, if any of the following events (the "**Issuer Events**" and each, an "**Issuer Event**") occurs and is continuing:

- (a) an Issuer Bankruptcy Event; and/or
- (b) an Issuer Default of Payment Event; and/or
- (c) a Breach of Asset Cover Test.

then:

- (i) no further Covered Bonds or Other Covered Bonds will be issued by the Issuer; and
- (ii) (A) in case of an Issuer Bankruptcy Event, the Cover Pool Assets shall constitute a special fund (*Sondermasse*) for the claims of the Holders and the holders of the Other Covered Bonds pursuant to § 48 of the Austrian Insolvency Code (*Insolvenzordnung - IO*), and the bankruptcy court (*Konkursgericht*) shall without delay appoint a Special Receiver for the administration of the Cover Pool Assets. The Special Receiver shall, in accordance with § 6 of the Pfandbriefgesetz, pay all due claims of the Holders out of the Cover Pool Assets, and shall transfer the Cover Pool Assets to a credit institution (which shall then, for the purposes hereof, become the "Issuer") which assumes the liabilities under the Covered Bonds and the Other Covered Bonds (a "**Cover Pool Transfer**"). Upon a Cover Pool Transfer being effective, all Covered Bonds that are Pass-Through Covered Bonds (if any) will cease to be Pass-Through Covered Bonds and will be due and payable for repayment in accordance with their initial terms and conditions. Should a Cover Pool Transfer not be possible, and as long as no Issuer Event other than an Issuer Bankruptcy Event occurs, the Special Receiver shall continue, in accordance with § 6 of the Pfandbriefgesetz, to pay all due claims of the Holders out of the Cover Pool Assets;
- (B) in case of an Issuer Default of Payment Event, the Covered Bonds shall become Pass-Through Covered Bonds which shall be due and payable for repayment, to the extent Covered Bonds Available Funds are available for the purpose in accordance with and subject to the Priority of Payments on each Cover Pool Payment Date until (x) the Pass-Through Covered Bonds are redeemed in full or, if earlier, (y) an Issuer Bankruptcy Event occurs and a Cover Pool Transfer becomes effective, in which case the Covered Bonds shall cease to be Pass-Through Covered Bonds, provided that no Issuer Event (other than an Issuer Bankruptcy Event) has occurred after the Cover Pool Transfer became effective; and/or
- (C) in case of a Breach of Asset Cover Test, the Covered Bonds shall become Pass-Through Covered Bonds, and such Pass-Through Covered Bonds shall be due and payable for repayment, to the extent Covered Bonds Available Funds are available for the purpose in accordance with and subject to the Priority of Payments on each Cover Pool Payment Date until (x) the Pass-Through Covered Bonds are redeemed in full or, if earlier, (y) an Issuer Bankruptcy Event occurs and a Cover Pool Transfer becomes effective, in which case the Covered Bonds shall cease to be Pass-Through Covered Bonds, provided that no Issuer Event (other than an Issuer Bankruptcy Event) has occurred after the Cover Pool Transfer became effective.

For the avoidance of doubt, Holders shall have no claim for payments under the Pass-Through Covered Bonds for Cover Pool Assets that would exceed Covered Bonds Available Funds in accordance with and subject to the Priority of Payments, and in the event that

payments under the Pass-Through Covered Bonds have not been made out of Covered Bonds Available Funds in accordance with and subject to the Priority of Payments until the Extended Maturity Date, Holders of Pass-Through Covered Bonds shall have no further claim for Cover Pool Assets in respect of such unpaid amounts. However, for the avoidance of doubt, Holders shall remain to have a claim against the Issuer in respect of such unpaid amounts.

(2) *Early Redemption at the Option of the Issuer for Pass-Through Covered Bonds.*

- (a) The Issuer (or, as the case may be, the Special Receiver) may, upon notice given in accordance with subparagraph (b), redeem Pass-Through Covered Bonds (in whole but not in part) on each Cover Pool Payment Date at par together with accrued interest, if any, to (but excluding) the respective Cover Pool Payment Date, provided that such repayment does not cause a Breach of Asset Cover Test.
- (b) Notice of redemption shall be given by the Issuer (or, as the case may be, the Special Receiver) to the Holders of the Pass-Through Covered Bonds in accordance with § 12, specifying the securities identification numbers of the Pass-Through Covered Bonds subject to redemption.

(3) *Priority of Payments.*

Upon the Covered Bonds becoming Pass-Through Covered Bonds, the Covered Bonds Available Funds shall be applied on each Cover Pool Payment Date in making the following payments and provisions in the following order of priority (the "**Priority of Payments**") (in each case only if and to the extent that payments of a higher priority have been made in full and provided that any such payment does not cause an Issuer Event, and subject to, and to the extent permissible by, the Pfandbriefgesetz):

- (a) *first, pari passu and pro rata* according to the respective amounts thereof to pay any fees, costs, expenses and taxes incurred under or in connection with the Pass-Through Covered Bonds and the Other Covered Bonds and/or the management of the Cover Pool Assets and/or the administration of the Cover Pool Assets (including costs of the Special Receiver and costs pursuant to § 49 of the Austrian Insolvency Code, if any) due and payable on the Cover Pool Payment Date or to provide for all such amounts that will become due and payable prior to the next Cover Pool Payment Date, to the extent such fees, costs, expenses and taxes are not payable or have not been paid by the Issuer or any other third party;
- (b) *second, pari passu and pro rata*, according to the respective amounts thereof (i) to pay all amounts of interest due and payable on the Cover Pool Payment Date, or to provide for all such amounts that will become due and payable prior to the next Cover Pool Payment Date on any Pass-Through Covered Bonds and Other Covered Bonds, and (ii) to pay any amounts due and payable on the Cover Pool Payment Date, or to provide for all such amounts that will become due and payable prior to the next Cover Pool Payment Date under any Hedging Agreement;
- (c) *third, pari passu and pro rata*, to pay all amounts of principal due and payable on the Cover Pool Payment Date in respect of any Pass-Through Covered Bonds and Other Covered Bonds, or to provide for all such amounts that will become due and payable prior to the next Cover Pool Payment Date (if any) on any Pass-Through Covered Bonds and Other Covered Bonds;

(d) *fourth*, to release any excess to the Issuer.

(4) *Definitions.*

"Asset Cover Test Percentage" means the higher of (i) the sum, expressed as a percentage, of (x) 100%, plus (y) the OC; and (ii) 102%.

"Breach of Asset Cover Test" means that the Asset Cover Test is continuously breached, and remains unremedied, for a period of one (1) month.

multiplied by M,

where M = 100 per cent. if such Mortgage Loan is not a Defaulted Loan and M = 0 per cent. if such Mortgage Loan is a Defaulted Loan,

- (iii) all amounts deriving from repayment at maturity of any Cover Pool Asset on or prior to such Cover Pool Payment Date;
- (iv) all amounts deriving from a (full or partial) sale or other means of liquidation or monetarisation of any Cover Pool Asset on or prior to such Cover Pool Payment Date;
- (v) all amounts (if any) paid or to be paid on or prior to such Cover Pool Payment Date by the hedging counterparties pursuant to the Hedging Agreement(s), but excluding any collateral or security received thereunder.

For the avoidance of doubt should there be any duplication in the amounts included in the different items of the Covered Bonds Available Funds above, such duplication shall be avoided when calculating the Covered Bonds Available Funds.

The Issuer may, by notice pursuant to § 12, increase or decrease from time to time the overcollateralization level, but only if the Rating Agency has been notified thereof and by the seventh day after such notification, the Rating Agency has not communicated that any such change will have a negative effect on the then current ratings assigned by it on the Covered Bonds.

§ 9

TERMINATION

(1) *Notice of Termination.* If, upon an Issuer Bankruptcy Event, a Cover Pool Transfer is not possible and the Cover Pool Assets are not sufficient to satisfy the current and future claims of the Holders and the holders of the Other Covered Bonds, then the Special Receiver shall publish a notice (a "**Notice of Termination**") pursuant to § 12.

For the avoidance of doubt, when determining whether the Cover Pool Assets are sufficient to satisfy the current and future claims of the Holders and the holders of the Other Covered Bonds, the Special Receiver shall take into account that the Covered Bonds will, upon the occurrence of an Issuer Event other than an Issuer Bankruptcy Event which is continuing, become Pass-Through Covered Bonds in accordance with § 8 and that Holders shall have no claim for payments under the Pass-Through Covered Bonds against the Cover Pool Assets that would exceed Covered Bonds Available Funds in accordance with and subject to the Priority of Payments, and in the event that payments under the Pass-Through Covered Bonds have not been made out of Covered Bonds Available Funds in accordance with and subject to the Priority of Payments until the Extended Maturity Date, Holders of Pass-Through Covered Bonds shall have no further claim against the Cover Pool Assets in respect of such unpaid amounts. However, for the avoidance of doubt, Holders shall remain to have a claim against the Issuer in respect of such unpaid amounts.

(2) Following the publication of a Notice of Termination, the Covered Bonds shall become immediately due and payable, and the Special Receiver shall, upon the approval of the court, liquidate all Cover Pool Assets and use the proceeds to satisfy, *pari passu* and *pro rata*, the claims of the Holders and the holders of Other Covered Bonds in accordance with the Pfandbriefgesetz.

§ 10

PRESCRIPTION, PRECLUSION

(1) *Interest.* A claim for payment of interest shall by statute be barred after expiry of three years.

(2) *Principal.* The right to claim payment of principal shall lapse ten years after the respective due date unless such claim has been filed with court before such time.

§ 11

FURTHER ISSUES, PURCHASES AND CANCELLATION

(1) *Further Issues.* The Issuer may from time to time, without the consent of the Holders, issue further Covered Bonds having the same terms and conditions as the Covered Bonds in all respects (or in all respects except for the issue date, interest commencement date and/or issue price) so as to form a single Series with the Covered Bonds, provided that (i) no Covered Bonds or Other Covered Bonds have become Pass-Through Covered Bonds or Other Pass-Through Covered Bonds, and (ii) the Rating Agency has been notified of such issuance and the Rating Agency shall have confirmed that such issuance will not negatively impact the then current rating of any Covered Bonds or Other Covered Bonds then outstanding.

(2) *Purchases.* The Issuer may at any time purchase Covered Bonds in the open market or

otherwise and at any price. Covered Bonds purchased by the Issuer may, at the option of the Issuer, be held, resold or surrendered to the Fiscal Agent for cancellation. If purchases are made by tender, tenders for such Covered Bonds must be made available to all Holders of such Covered Bonds alike.

(3) *Cancellation*. All Covered Bonds redeemed in full shall be cancelled forthwith and may not be reissued or resold.

§ 12 NOTICES

(1) *Publication*. All notices concerning the Covered Bonds shall be published on the website of the Issuer (www.austrian-anadi-bank.com/Pfandbriefe/Dokumentation_CPT_Covered_Bonds_Programme). Any notice so given will be deemed to have been validly given on the third day following the date of such publication.

(2) *Form of Notice*. Notices to be given by any Holder shall be made by means of a written declaration to be sent together with an evidence of the Holder's entitlement in accordance with § 13 (3) to the Fiscal Agent. Such notice may be given through the Clearing System in such manner as the Fiscal Agent and the Clearing System may approve for such purpose.

§ 13 APPLICABLE LAW, PLACE OF JURISDICTION AND ENFORCEMENT

(1) *Applicable Law*. The Covered Bonds, as to form and content, and all rights and obligations of the Holders and the Issuer, shall be governed by Austrian law excluding its conflict of laws rules where their application would lead to the applicability of a foreign law.

(2) *Submission to Jurisdiction*. The competent court in Klagenfurt shall have non-exclusive jurisdiction for any action or other legal proceedings ("**Proceedings**") arising out of or in connection with the Covered Bonds. The submission to the jurisdiction of the courts of Klagenfurt shall not (and shall not be construed so as to) limit the right of any Holder to take proceedings in any other court of competent jurisdiction (in particular, and as far as mandatorily competent, a place of consumer jurisdiction).

(3) *Enforcement*. Any Holder of Covered Bonds may in any Proceedings against the Issuer, or to which such Holder and the Issuer are parties, protect and enforce in his own name his rights arising under such Covered Bonds on the basis of (i) a statement issued by the Custodian with whom such Holder maintains a securities account in respect of the Covered Bonds (a) stating the full name and address of the Holder, (b) specifying the aggregate principal amount of Covered Bonds credited to such securities account on the date of such statement and (c) confirming that the Custodian has given written notice to the Clearing System containing the information pursuant to (a) and (b) and (ii) a copy of the Covered Bond in global form certified as being a true copy by a duly authorised officer of the Clearing System or a depository of the Clearing System, without the need for production in such proceedings of the actual records or the global note representing the Covered Bonds.

For purposes of the foregoing, "**Custodian**" means any credit institution or other financial institution of recognised standing authorised to engage in securities custody business with which the Holder maintains a securities account in respect of the Covered Bonds and includes the Clearing System. Each Holder may, without prejudice to the foregoing, protect and enforce his

rights under these Covered Bonds also in any other way which is admitted in the country of the Proceedings.
